

SOCIETY FOR
Integrative
Oncology

SIO's Mission: To advance evidence-based, comprehensive, integrative healthcare to improve the lives of people affected by cancer.

SIO's Vision: to have research inform the true integration of complementary modalities into oncology care, so that evidence-based complementary care is accessible and part of standard cancer care for all patients across the cancer continuum.

SIO's members: A multidisciplinary community of oncologists, nurses, psychologists, social workers, nutritionists, naturopathic doctors, herbalists, acupuncturists, massage therapists, and more.

Benefits of SIO Membership

Opportunities to actively participate in SIO by: Becoming a Committee, Special Interest Group (SIG) or Task Force member

Based on above, being named co-chair of an SIO entity

Based on above and other qualifications, be considered for Board of Trustee membership through the annual nomination and election process

Publication opportunities through SIO partnerships

Access to Natural Medicines database (professional version value: \$177/year)

Access to cancernetwork.com, home of the journal ONCOLOGY

Register for SIO annual conference at a reduced rate, and access conference recordings

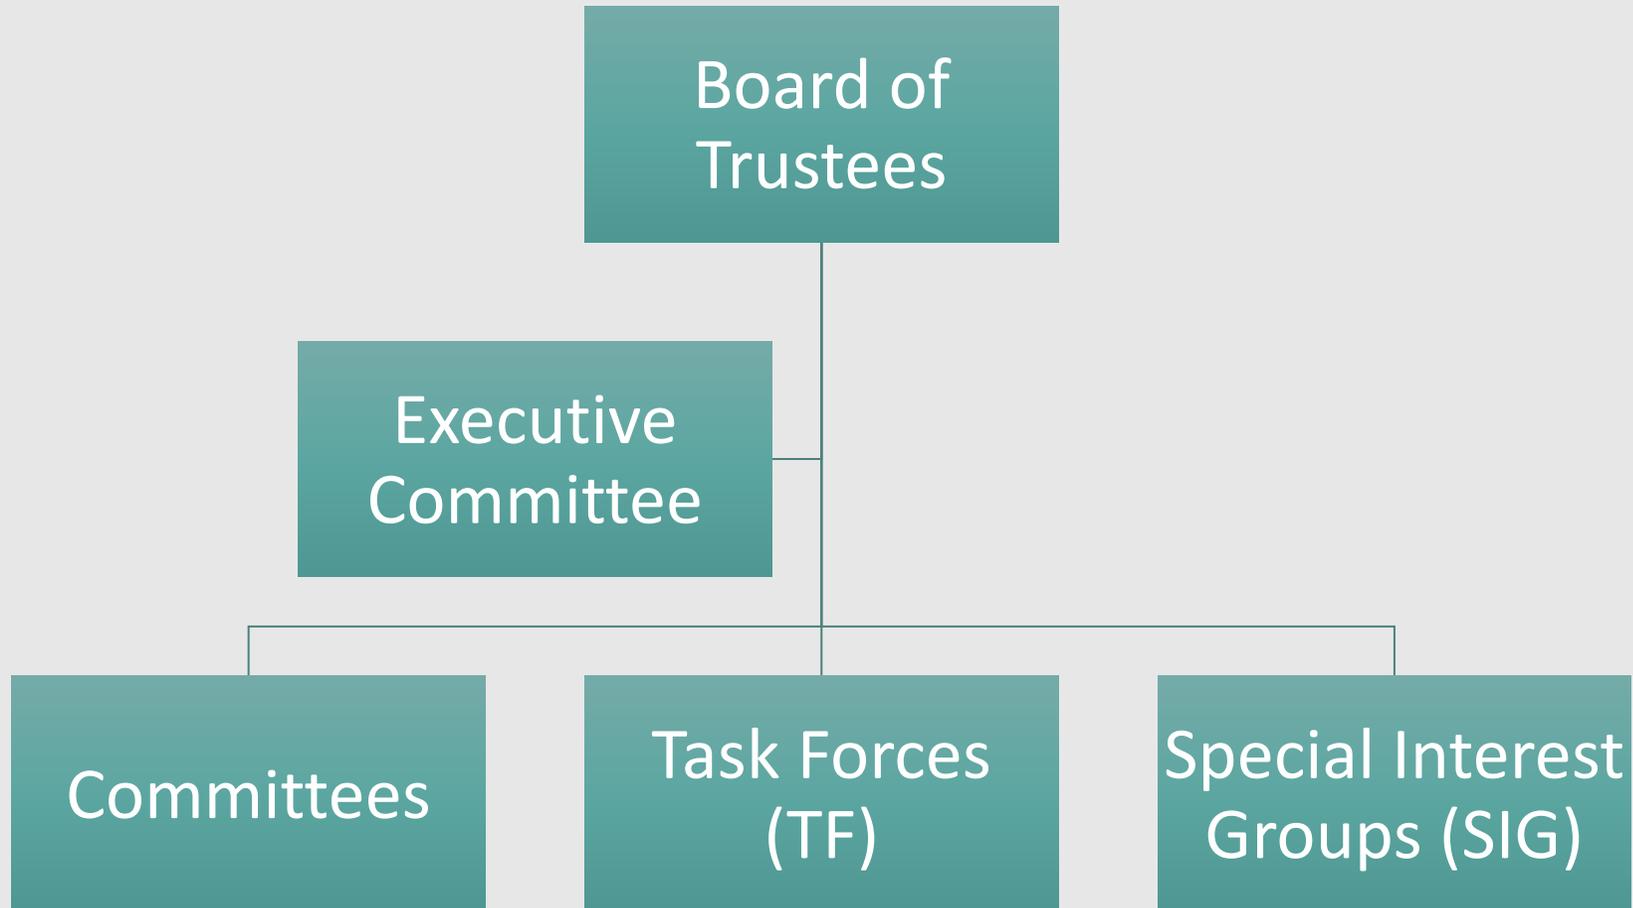

Free registration to members-only webinars and other original educational content

Receive SIO Newswires, member surveys, eblast and other membership communications

Submit publications and other professional accomplishments for inclusion in SIO social media

Appear in SIO Member Public Directory
